*** New - Faction Shirts ***

New faction shirts will now come from the same supplier as our blue school polos and will have the school logo screen printed on the left-hand side of the shirt, rather than embroidery. The new shirts are of similar material to the blue polos but in Hawks/purple, Eagles/green and Falcons/orange.

There is no requirement to purchase the new shirts if you have old styles but will be available when you need new shirts or sizes.

Note: All stocks of current faction shirts will need to be sold prior to purchasing any new shirts.
