### Message from Principal: **Kerriane Mills**

Welcome back everyone to a very busy and exciting Term 4 and my first as your substantive Principal!

I hope you all had a fabulous holiday with a well-earned rest and quality time with your family. Unfortunately, mine was consumed with the passing of Ashley Mottershead, a very dear long time friend and colleague. From her passing I have tried to take note to check in on myself, not put off the 'bucket list' items and really embrace those experiences and people that mean a lot to me. I highly encourage you all to do the same, our lives are precious and circumstances can change in an instant.

This term is jam packed with celebrations, opportunities and events. We started with our sports carnival, the weather was lovely and the competition fierce. Congratulations to our champions and runner up champions, but most importantly to our students for their wonderful display of sportsmanship and participation. I would also like to take this opportunity to thank all those that attended, that volunteered their precious time and to our amazing school staff for your organisation, support and dedication.

Tomorrow, a group of students are off to the Margaret Cotton Festival in Kulin to represent our school, through a musical performance. I am very excited for our choir to perform on stage, show off their talents and also to see other school performances and meet other artists. Thank you to Vicky Klein for taking this project on and organising the excursion. Thank you also to Shelley Stowers for her efforts with choir the previous three terms this year.

We'd like to welcome Tayah Medlen and Abbey Strevett to our school, completing their teacher prac's in Year 2 and Year 3 classes. This is a massive commitment from these girls and I wish them all the very best for this experience. It is so lovely seeing our local community members come back to our school where we help them further their studies.

Yesterday was the celebration of our cleaners and gardeners in the school. Students left post it notes on their desks for our cleaners, Sharon, Ian and Vange to read, thanking them for all they do in their classes and staff signed a card for them. Our grounds would not have the high standard it does if it wasn't for Linda, so we thank all of these staff from the bottom of our hearts.

Please remember to check your children's lunches if they are packing them themselves. It is strongly encouraged to increase independence as our children grow but sometimes assistance is needed with healthy choices. It has become apparent that many snacks are packed and no substantial lunch is being brought to school, especially in the high school. It is important that we all eat well to help our brain grow and develop and keep us astute and ready to learn.

It has been noted that several students are not wearing helmets to and from school whilst riding their bikes. I have invited the local police to start making 'surprise' appearances checking on our students before and after school. The protection of our children, especially their heads is so important, not to mention it is the law.

The 27<sup>th</sup> of October is World Teacher Day and I personally would like to acknowledge our dedicated staff and committed educators in the school. We are very lucky to have a staff whose primary focus is to ensure our students are safe, educated and enjoy learning. So thank you to all of our teaching staff.

Book Fair is under way in the library and I have seen many excited students walking past my window with lots of treasures in their hand. If you get the opportunity to visit after school please do as there are many wonderful books for sale, with a percentage of the sales going towards the purchasing of more books for our library.

Kindy 2024 parents, don't forget the Kindy Orientation Day is on Thursday 2<sup>nd</sup> November. I look forward to meeting with you and your children on this very special day. You should have received a note earlier this week with further information regarding the day.

Please note that Lake Grace DHS does not assume duty of care of students until 8.30am. Please ensure your child does not arrive before this time.

Kind regards

Hello LGDHS Community,

And just like that we are back into it and it is Term 4. I hope everyone had an enjoyable school holiday and you are ready for what will be another busy term.

With the Faction athletics carnival on day one we literally hit the ground running. It was great to see so many volunteers and spectators at the carnival last week to cheer the kids on and assist with the many jobs on the day. From timing, place judging and measuring of throws the day ran very smoothly. Thank you to all staff and Maria Taylor who made the carnival run so efficiently this year. Well done!!!

To Roma and Kay Café thank you for the delicious lunches yet again, I know it was a highlight for many to have a break and enjoy the delicious food before the last events of the day kicked off.

#### Canteen Update

As the summer months approach a few additions have been added to the canteen menu. Please note yoghurt pouches and fruit salad cups have been added to the recess menu. ### Message from School Nurse: **Laura Ballard**

Hello LGDHS Community.

The Department of Health have advised that two cases of measles have been confirmed in WA, including a case acquired in Bali, Indonesia which is currently having a significant measles outbreak. Measles is common in parts of Africa, the Middle East and Asia. People born after 1965, unvaccinated or who have only received one dose of the MMR vaccine are at higher risk of contracting measles.

This is a reminder that maintaining a high level of immunisation within our community is very important to controlling many communicable diseases in Australia.

It is important for parents to make sure that their children have received all of the childhood vaccinations. This includes Measles, Mumps, Rubella, Diphtheria, Tetanus, Pertussis (whooping cough), and polio vaccines as soon as your child has turned 4 years old. If you are unsure, phone 1800 653 809.

If your child has missed out on vaccinations, a doctor or immunisation nurse can provide 'catch-up' vaccinations.

Make an appointment with a GP or visit the local (free) immunisation clinic run by WA Country Health Child Health at the Lake Grace Medical Centre which is staffed Tuesday, Wednesday, Thursday and can be contacted on 9890 2246.

Kind Regards

### Circle of Security® Parenting™

8 x 2 Hour sessions for parents of children from the 0-6 age group

Circle of Security parenting is **based on attachment theory and focuses on the relationship between parent and child**. From a basis of observing and understanding a child's needs, the theory emphasises how the parent's relationship with their child is key to success in everyday parenting matters, such as concerning behaviour, emotional outbursts, and emerging independence behaviour patterns.

Parents will:

- Learn how to identify their child's need
- Learn how to respond rather than react to their child's need
- Learn about their personal parenting experience
- Remind themselves of just how important they are.

### Bringing Up Great Kids

6 x 2 Hour sessions

Bringing Up Great Kids uses ideas of mindfulness and reflection to support parents to review and **enhance patterns of communication with their children**, to promote more respectful interactions and **encourage the development of children's positive self-identity**. It also works to establish a new relationship context for children and their parents through facilitating opportunities for positive exchanges. Bringing Up Great Kids draws from child-centred and strengths-based perspectives, neurobiological development, attachment theory and narrative approaches.

*Please note: Various versions of this program is available. Please speak to your local PCWA Parenting Coordinator to find out more.*

### Protective Behaviours Parent Information Session

### 1 2 3 Magic and Emotion Coaching

3 x 2 Hour sessions for parents with children 3-10 years of age

Aims to **help parents increase their ability to self-manage and regulate their feelings** and reactions and gives parents the skills and confidence to discipline gently but firmly. Helps parents to avoid common parenting mistakes, such as too much talk and too much emotion. Helps parents understand the different types of behaviour and why they occur.

Identifies three choices parents have when managing behaviour:

- Do nothing (ignore)
- Act (count or consequences)
- Listen and emotion coach

Teaches how to emotion coach by:

- Recognising children's emotions
- Listening empathically and tuning in
- Validating feelings
- Helping children to problem solve.

Tuning In To Kids (parents of 3-10 year old)

Tuning In To Teens (parents of 10-16 year old)

A 6-week program for approximately 2 hours per session

On Wednesday the 11th of October, Miss Brianna Brooks, Mrs Rhiannon Stubberfield and her Dad Mr Wayne Barnett (The designated bus driver!), Miss Britt and Mrs Renae Willcocks, packed the Year 5/6 students up and headed south to Albany for 2 nights on camp! The students had a jam packed itinerary, visiting some of Albany's historical sights, including the Whaling Station, The National Anzac Centre, Albany Museum, and the Old Goal, with lots of recreational activities in between! What a fun way to learn about Western Australian history!

A massive thank you to Miss Brooks, Mrs Stubberfield, Miss Britt, Mrs Willcocks and Mr Barnett for making this camp possible, the students had a great time!

### Country Week Recap

The last week of term three, Mrs Amanda Trevenen and Mrs Annie Argent took some of the Highschool students to Perth to compete in the Hockey at the District High School Country week competition.

What a ball they all had, with some great hockey played, lots of fun had and only some minor injuries! The LGDHS was well represented and performed extremely well, considering it was a tough competition with all 3 finals played, resulting in draws! LGDHS ended up coming 3rd overall! Well done to the team and thank you to students who represented our school respectfully as usual and to Mrs Trevenen and Mrs Argent for giving our students the opportunity to compete!
