## THE YEAR 1/2 & 2/3 EXCURSION TO WAGIN HISTORICAL VILLAGE THURSDAY 12<sup>TH</sup> JUNE 2025

### The Year 1/2's Favourite Part of the Excursion!

Daisy – That we got to have a look at all the stuff.

Madelyn – I liked when we got to have the cup of tea and scones.

Olly – The big ram.

Kate – My best part was seeing the big ram.

Katherine – Seeing the jail because the door was heavy.

Lucas – The police station because we got to look at where the baddies go.

Georgie – Lots of stuff I liked but the one I liked were the tractors.

Ciara – When we hopped in the fire truck.

Leo – The bus ride.

Madison – The jail because I found out there was no pillow in the bed.

Bobby – The police station because I liked the jail.

Harry – Going in the fire truck because we got to go in the back of it.

Zara – The fire truck because you got to hop in the back and there was lots of cool stuff in the back. There was even a photo of the people that used to drive it.

Toby – I liked the police station because they had some metal plates on their jacket.

Harrison – The police station because the jail door was really strong and I liked the tools that they used to get the bad guys.

On Thursday 12th of June the 1/2 and 2/3 classes went to Wagin Historical Museum. First, we went on the bus and we got to Wagin and we had recess and scones and tea.

Next, we went to the very old tractors and I didn't go on the tractors because I felt a little bit scared because the tractors were a bit high.

After that, I felt so happy.

Finally, we went to the big ram and we had lunch and I felt happy because it was a fantastic day. My favourite place was the fire station and it was a great ride back to school. When we got back we had fruit and did a puzzle.

By Georgie Elefsen

On Thursday 12th of June the 1/2 and 2/3 classes went to Wagin historical museum.

First, we packed our hat in our bag.

Next, we saw the big white bus, we had a photo in front of the big white bus. It was a long drive.

After that, we met some people and had some morning tea and some scones and tea and people showed us the old village.

My favourite part was when we went in the fire truck because the hose was so strong.

Finally, we went to the big ram and had lunch and a play at the ram playground. For lunch I had a jam sandwich. Mum and Dad picked me up from there. I felt happy.

On Thursday the 12th of June the year 1/2 and 2/3 classes went to Wagin Historical Museum.

First, we went on the bus until we got to Wagin.

Next we went to the fire station, and we went inside and we saw a fire truck and it was red and there were beds in there and trains too.

After that, we went to the hospital and there was a needle in the box and it was a little hospital, there was only two wheelchairs.

Finally, we went to the school and the desks could open, the chairs were hard. There were rules and then we went to the trucks, and she told us all about it and then we got to ride the trucks, and we found a lawn mower. Then we went to the trains and there were old train tracks and an old train. Then we went to the police station and there was one jail and hand cuffs.

After that, we played knuckle bones and one skip jump and skipping.

Next, we hopped on the bus again and we drove to the ram, we ate our lunch and then we had a play. We then hopped back on the bus and went back to Lake Grace and finished the rest of the day.

### Message from Administration

#### Reports:

Student reports will be emailed home next Wednesday 2nd of July. Please remember to download your child/ren's reports as the link is only valid for 4 weeks. If you would like a paper copy supplied by the school please email us at [lakegrace.dhs@education.wa.edu.au](mailto:lakegrace.dhs@education.wa.edu.au). Should you have any questions about your child/ren's report please contact their classroom teacher to make an appointment.

#### Kaartidijin

On Tuesday the 1st of July our administration system will roll over from Integris to Kaartijin. This new system will streamline processes and will help our school admin operate more effectively in the long run.

#### Board Training

On Wednesday 18th June, the School Board underwent training along with Kukerin, Kulin and Newdegate. This training is invaluable in helping to educate our governing body on the expectations of their roles and responsibilities. Thank you to the P & C for catering the evening, the food was plentiful!

#### Highlights:

On Wednesday the 11th June, the Year 8-10 Cadets headed to Camp Contos for their Cadet Challenge. New skills were learnt, boundaries were pushed and comfort zones were breached! Thank you to camp organisers and volunteers for such an invaluable camp!

On Thursday 12th June, the Year 1/2 and 2/3 classes went to Wagin to visit the Wagin Historical Village. This was an incredible opportunity for our younger generation to get a better insight into the life the early western settlers to the region endured. Thank you to Mrs Gooding, Mrs Livall, Miss Brooks and Mr DeVree for a fabulous excursion.

#### Faction Cross Country

Our Faction Cross Country was held last Tuesday the 17th June and luckily the rain held off for the day. Well done to all students who gave it their best efforts, and congratulations to the students selected to participate in the Interschool Cross Country Carnival tomorrow in Kojonup! This carnival is historically wet and wild, so make sure you rug up and bring a spare change of clothes just in case! Good Luck to all competitors!

#### Parent Teacher Meetings

Last Thursday the school closed for an afternoon of parent teacher meetings. This is a great way to see how your child/children are progressing throughout the semester and promote a better understanding of their semester reports when they arrive next week.

#### Semester 2 Planning

In week 1 of term 3, we will have an interim Deputy Principal commencing to transition into Mrs Desmond's role for Semester 2, as she will be taking some well earned long service leave. We wish you a restful semester off Tor and look forward to your return in 2026!

#### Kindergarten Semester 2

The kindy students will commence their 3 day week for semester 2. They will be attending on Monday, in addition to Tuesday and Thursdays, much to their excitement as it now means they are able to order canteen!

Lastly, we wish you all a safe and happy holiday and look forward to Semester Two! Just a reminder, if you have not already, don't forget to purchase your Trivia Night tickets, a fantastic fundraising initiative organised by the LGDHS P & C. These events take a lot of volunteer time to organise and co-ordinate, so it is important we support them, especially as proceeds go towards our students.

Best wishes,

### Message from P&C President: **Sarah Clarke**

Dear Lake Grace Community,

#### **Trivia Night**

Trivia Night tickets are now available for purchase, so get your friends together for a night of fun and laughs.

Head over to Humantix to book a table or ticket, simply follow the link below.

[Tickets for Lake Grace Trivia Night](#)

#### **Crown Raffle**

The winners of the Crown Raffle are being drawn at the Trivia night, tickets are nearly sold out, so don't miss your chance to be in the draw. Contact Debbie Carruthers to get your hands on a ticket.

#### **Bus Committee**

On Monday the 9th of June, the first school bus committee meeting was held in a very long time. With there being challenges with bus routes and quite a disconnect between the planning in the city and the actual use of the buses in the country, it was decided that this committee needed to be put back into action again.

I would like to thank Chloe McDougall for taking on the position of spokesperson for the committee. Each run has two people, who are your point of contact if you need to discuss a matter happening on your bus run.

Below is the list of the parent representatives for you to contact if you need assistance with your run.

North Bus Run – Lauren Duckworth and Yasmine Smith

Kukerin Bus Run – Ashton Gray and Tahlia Willock

South Bus Run – Chloe McDougall and Jemma Bairstow

A huge acknowledgement and heartfelt thank you goes to Tania Bray for organising the meeting for the school bus committee, she no longer has children that are of school age and took the time out of her own busy life to make this happen for our families using this service. Thank you, Tania.

#### **Catering**

The Lake Grace DHS School Board recently had some training held at our school, which was also attended by members from our surrounding schools. The P&C provided the catering for the evening, and I was told the food was abundant and delicious. Thank you to all those volunteers who put together a platter of food for the evening.

We also have another small catering event on the 4<sup>th</sup> of August at the CRC for a Farmanco event. We will be providing morning tea and lunch for the attendees of this event. Please keep an eye out closer to the event for donations of food.

**Date of next meeting – 28<sup>th</sup> of July @ 7.00pm in the Padley Room**

Best wishes,

**Sarah Clarke | P&C President**

Tiana	The overall experience, everything was amazing and fun it was the best camp yet!	when we went canoeing i used communication to help Shivy navigate the end of the canoe	going off the boardwalk and in to the cave and climbing on precious rocks	doing the tallest abseiling and abseiling into the cave	trust and listening, this is important because it can help you lead to bigger things and gain more confidence in the future
Taj	I loved abseiling into a small hole leading into a big cave	independence, having control while abseiling	I didn't get wet when i was in the tent and the tent holding up really well	the rhythm of canoeing	cooperate, because it will be a big part of life
Ben	I enjoyed canoeing because it was more relaxing, not intense or challenging	I practiced communication in canoeing where I had to communicate with my canoeing partner on how to steer the boat	Abseiling was easier than expected. I thought it was hard at first, but after I tried it I found it was easier than expected	Abseiling for the first time was challenging because it was a new skill for me	Communicating with a team is important for group projects. This skill will be helpful in school and in life

Name	What was something you enjoyed about camp?	Provide an example of where you practiced ONE skill on camp?	What was something that surprised you on camp?	What did you find challenging on camp?	A little bit of wisdom
Dakota	I enjoyed every thing we did at camp but I especially enjoyed the abseiling into a cave because it was something I had never tried before and it was really fun	organisation skills, we kept the order whilst caving	when we went caving I thought that we would stay on the path but instead we got to go off the track and explore deep into the cave	I found it challenging to keep paddling in the Kayak/canoe even though I was getting bored and tired	Don't just stay on the path but instead go off the track and explore deep into the cave
Wayde	I like the cave because we went into a restricted area	i practiced how to communicate while climbing or kayaking	that abseiling is really scary but it is all in the head	that it is really hard to get over the edge	listen while people are talking and to be organised
Jaycob	I enjoyed abseiling down the hole into the cave it was very exciting and scary at the same time. This made me try new things even though I was scared at the same time	communication. I used this skill when playing a hide and seek game, I had to guide people to come and find me hiding. You needed to be very specific in guiding the finders	I thought that I would be more scared abseiling but I found that I was still scared but nowhere near how scared I thought I would be.	I found that having to navigate around the camp sites was hard when you have never been there before. Especially in the dark and with riddles to guide you	when you wake up in the morning the first thing to do is go outside when the air is fresh and cool. This makes you feel energised and ready for the day

Paige	All of the daytime activities, especially both abseiling and the night games with Shivey. The abseiling was really confidence boosting	We used organisation when in the caving to keep the order. We were also ready for each day with everything we needed. I Also used resilience when we fell out of the boat	That everyone got along so well and there was no issues between people. Everyone tried everything even of they were scared	Listening to Keirin singing. Also the first abseiling thing because it was slippery and you had to do it differently	Keep trying, get back up and keep going. Just shake it off and keep going
Jonti	abseiling into a cave and it was fun because I had never done it before	I learnt how to set up my tent but I already new how to. and I did it all by my self	caving, canoeing, and abseiling, and cave climbing	the abseiling into the cave was tricky because there was a metal railing at the hole and I had to jump onto this rock, and canoeing	sometimes its hard when you have stronger arms than a friend
Leo	I enjoyed the abseiling and the caving on day 3	I used a compass to navigate through the bush	That I ended up doing the 30m abseiling twice.	Getting over the edge of the first abseiling sight	Use the bathroom before you enter the cave
