Message from The Principal: **Mrs Mary Griffiths**

Hello to everyone in the Lake Grace DHS Community, now that I have been here for seven weeks, I have begun to connect and feel a part of this community. As per usual at any school, Term Four is full of busy days planning for the new year and organising all of the end of year celebrations and graduations. Please see below for an overview of the upcoming events.

2026 Kindergarten Orientation and Pre-primary Transition

The 2026 Kindergarten students attended their final orientation day on Wednesday the 26th November and the Pre-primary students attended their transition morning in the Year 1/2 class. The students had a great day and lots of fun was had by all. Thank you to all staff involved who made it a special day for our students

Work Experience For Ex-Student

This week ex-student Payton Callope has been completing work experience in the Year 1/2 Class with Miss Brooks. It is always great to see the progress and growth in students who start their learning journey at LGDHS, to then complete work experience here with the intention to explore the possibility of furthering studies to become a teacher.

Secondary Excursion to Kodja Place

Mrs O'Neill and the Secondary students spent the day today exploring Kodja Place in Kojonup. Kojonup's Noongar-Indigenous and Wadjela (non-Indigenous) communities worked together to create The Kodja Place. For several years the communities talked, gradually building relationships and trust and gathering the stories and materials to include in the displays. The creation of The Kodja Place by the Kojonup community was an extraordinary exercise in cross-cultural reconciliation and participation, planning, teamwork and lots of talking! Local skill development, community-led curating and locally-driven project management were other vital elements that inspired and enriched the project. Hundreds of local people helped, as well as people from outside the district. We can't wait to hear what the student took away from the experience.

P & C Pizza Day

Don't forget that tomorrow, Friday the 28th of November is the P & C Pizza Day- so get your orders in now! You can order via the Flexischool app, as you would on regular canteen day.

Final School Board Meeting 2025

On Tuesday the 25th November, the final school board meeting was held in the Padley at 7.00pm. Thank you to Aaron Wooldridge and the amazing committee members who have volunteered their time this year to serve on our School Board.

P & C Meeting at Walkers Hill Winery

On Monday 1st of December the final P & C Meeting for the year will be held at Walkers Hill Winery. Thank you to all P & C Committee members for yet another successful year. The volunteering that goes in to raise much needed funds for our school is beyond amazing and we can't thank you all enough for all you do. We have an amazing little school that is made better each year with the help of the volunteering and fundraising done by the P & C each year. Thank you to committee members who have taken on jobs on top of your regular every day jobs.

Year 6 Transition Day

The Year Six students will be leaving primary school behind for a day on Tuesday the 2nd December, to experience what it will be like next year commencing high school. Our LGDHS year sixes will be joined by two Year Six's from Newdegate and we look forward to showcasing our amazing high school.
